Title: Northgate Arena – leisure pool and sauna closure

Summary: The leisure pool and sauna at Northgate Arena are currently closed due to a complex technical issue.

The leisure pool and sauna at Northgate Arena are currently closed due to a complex technical issue. Engineers are looking in to the issue, and once the problem is understood the timeframe of the closure will be shared.

In the meantime, the training pool is being used to support swimming lessons, aqua classes and public swimming sessions. Due to the depth of the training pool, Brio were unable to continue Aqua Jog, diving and synchro lessons. All affected customers have been contacted.

The new timetable is now live online at: brioleisure.org/timetables and available to view in Northgate Arena's reception area.
