

# Ageing: Myths and Misconceptions

A half-day workshop exploring contemporary attitudes to ageing and age discrimination

Thursday 27th July 2017, 9am – 12pm

Our aim is to ensure that by the end of the session you will have a better understanding of the opportunities and challenges facing older people and how these impact on everybody's day to day lives.

In partnership with **Brightlife** we are offering a workshop that includes interactive sessions exploring perceptions of ageing using a range of multimedia techniques. We will also be presenting myth busting sessions covering topics such as dementia, capacity, alcohol and taboo topics such as sex in later life.

**Where:** University of Chester,  
Queens Park Campus, Queens Park  
Road, Churchill Building, CCU139,  
Chester, CH4 7AD.
