

GENERAL DATA PROTECTION REGULATIONS (GDPR)

Date: 27th March 2020

Time: 10.00am - 12 noon
Registration from 9.30am

Venue: Holmes Chapel

Course content

A number of you have been asking for some additional training and support around GDPR. Although we still have the NALC GDPR Toolkit available, we also have a number of new councillors who were not with us when the new regulations were introduced.

So we have commissioned Wellers Law Group to deliver this two hour session for us and we hope that it is something that will be helpful and also of interest.

The session will cover the following key areas:

- Background and context for the GDPR
- Ensuring awareness amongst councillors and staff
- What is personal data?
- The data audit
- The lawful basis for processing data
- The council's Data Protection Policy
- The council's Privacy Notices
- Handling Subject Access Requests
- Data Security
- Data Breaches

To book your place(s) contact Nikki Hewitt (details below).

Cheshire Association of Local Councils
Park View Business Centre
Combermere, Whitchurch, SY13 4AL
