Live Well Cheshire West – Care Communities

Have you heard the term care communities? What is a care community you may ask, well a care community brings together the people living, working or involved in an area of Cheshire West to improve the health and wellbeing of local residents. This includes local people, community groups, Healthwatch, GP practices and other community-based health and care professionals. Each care community has its own page on Live Well where you can find lots of information about the place you live, what's more you can get involved and if you know of events and things happening in your community you can [let us know](#) and we will add it to the page. Check out your care community page [HERE](#)

Town and Parish Council CONNECTIONS: Dog Control PSPO Consultation

Join Cheshire West and Chester Council's Regulatory Services on 28th June 2021 from 6pm to 7pm to discuss the current consultation on Dog Control followed by an opportunity for questions. This consultation asks for views on the current measures in place as well as seeking views on adding additional control areas. The full survey can be accessed online at:

CHESHIRE EAST Focus

CESAP – Spotlight on Volunteers Week

The Power of Youth is an annual celebration of the contributions children and young people make to society through volunteering and social action. Ella Williams, 18, supports [Nantwich Buddies](#) and her experience has helped vulnerable people and also her career.

[Volunteer Voices](#) – Cheshire East volunteers share their stories

Businesses are increasingly using Corporate Social Responsibility, including employer supported volunteering, to make a difference and build a positive brand around their company. Social Action Partnership helped launch the [Social Value Award](#) aimed at enabling organisations to achieve their CSR and Social Value commitments, as well as setting a standard for Social Value and showcasing good practice.

OTHER Focus

Cheshire Constabulary Recruitment

There are currently vacancies for a range of roles and Cheshire Police are keen to encourage local applications. See webpage [here](#) and scroll down for a list of the vacancies on offer.

Neighbourhood Watch Annual Insights Survey

A key part of our strategy is to promote the perception of Neighbourhood Watch as “neighbours watching out for each other, building safer and more inclusive communities”. To do this effectively, we need to better understand the current public perception of Neighbourhood Watch by members and non-members alike. Please take a moment to complete our survey and share this link <https://www.surveymonkey.co.uk/r/FPPJ22X> with your friends and colleagues - even those who are not Neighbourhood Watch members - so we can obtain as broad a range of views from as diverse a range of people as possible
